**6:30 p.m. – 7:30 p.m.**

**Auditorium, Building 101**

**3801 Miranda Ave.  
Palo Alto, CA 94304**

Neighbors, veterans, employees and other interested parties are invited to a Town Hall meeting at the VA Palo Alto Health Care System to discuss the upcoming construction projects on the facility grounds.

Over the next four years, the VA at Palo Alto will be replacing a number of facilities that are seismically deficient and building a parking garage to replace the parking that will be lost due to the construction. We would like to invite the public to learn more about the improvements we will be making to better serve our veterans.
